### WHAT THE WINNER WILL DO

We will record the winning song in our own recording studio which houses top professional quality state of the art equipment and musical instruments. The winners could put forward one performer or, better still, a collaboration of children each singing one line and together for the hook line of the song...better for a team effort!!! And for those budding musicians we can incorporate their drum rhythms and musical ideas into the backing track. Otherwise we can take the lyrics and compose the musical backing – no problem!

**Closing date is 30 April 2020**
